

Windmill Record Card generation process					
			Collator's Note. This project began with fairly grandiose ideas but, as a result of much correspondence to and from Don, plus a gradual onset of indifference, ended up with a small, simple, double-sided card.		
	14636.XLS				
Date	Correspondents	Summarised content	Region or County	Mill Name or Location	
1	<b>SECTION A</b>	<b>Concept Development by Don Paterson</b>			
2	Dec 1977	Handbook 1. 'Recording the Evidence; the Archaeological Survey of Merseyside'. Written by B Sheppard B.A.(Cantab) for Merseyside Archaeological Society
